# Biggest Things to Remember:

1. Be Checking Your School Email Often
  - a. Surveys for voting on speakers, etc are being sent out and you need to fill them out. Very important information will be emailed out so you need to check for it.
2. Be on Time
  - a. With rehearsals and graduation, we have reserved times that can't be changed. It is imperative that you are on time so we get to the amphitheater on time. We will leave you if we have to, but we TOTALLY don't want to.
3. Listen
  - a. There are many things that need to be completed and deadlines to complete them. Pay attention to the information that comes out so you don't forget anything.
4. Pay fines early so you don't have to wait in line. Go to business office.
