

THIS MONTH'S FOCUS

March is all about **Storm Standard #4: Support the success of yourself and others.** As a school community, we can do this by learning effective planning techniques and Google tricks to stay organized for second semester. Learning ways to manage your time and using scheduling tools will help increase overall academic performance and achievement. As students you can master these skills and in turn share with them with others, setting them up for success as well. As we transition this month into some new routines at Skyview High school, let's encourage each other to do the best we can do and in turn inspire one another!

CLUB SPOTLIGHT

STORM TRADITIONS

Knowledge Bowl

If you enjoy trivia and want to challenge yourself to continue learning even more, join Knowledge Bowl. Everyone is welcome!

The club meets on **Wednesdays from 11:00-11:45 via Zoom** to test their skills by practicing for trivia/knowledge competitions. This year both the Varsity and JV teams qualified for the Regional Championship Competition.

If you are up for the challenge and ready to participate, please contact Bob Brands at bob.brands@vansd.org to give it a try.

Our school has a tradition of having the most diverse catalog of courses in the district. Students can explore a wide range of arts and music offerings, take on leadership roles, gain knowledge for future career paths, and more. Forecast for your classes next year to make sure those options stay available!

Visit the [Forecasting Website](#) and take a look at how to videos. **Forecasting is open from March 4th to March 24th.** Please let your counselor know if you have any questions, or if you need assistance mapping out your ideal schedule!

MEET OUR STAFF

MRS. MELEEA MILLER

Teacher: Business & Marketing

Advisor: DECA club

"I actually graduated from our rival, Columbia River HS."

Besides teaching a range of CTE courses, Mrs. Miller also manages the Marketplace, where students and families can purchase awesome Storm Spirit gear. Check it out!

FEBRUARY STUDENTS & STAFF OF THE MONTH

Justis Sherwood

Hanan Jabr

Mrs. Wistrand

"Beyond being a leader in class in terms of engagement, Justis does an excellent job of making connections between

"Congrats on your acceptance to the University of Portland and your full ride

"Nancy Wistrand She's a lovely gal Nancy Wistrand
